Hydrant Flushing

- April 15-27, 2019
- September 16-27, 2019

Water Meter Readings

- Spring 2019 meter readings will begin in February 2019

Water Conservation

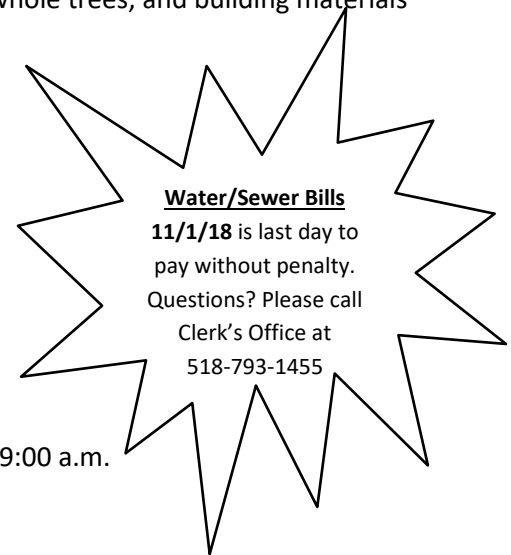

- Leaky toilets and faucets cause unnecessary waste of your water.
- Lawn sprinkling is most effective between the hours of 6:00 a.m. and 9:00 a.m.
- Please help us eliminate extra pumping costs.

Storm Water Management Please help us curb unnecessary and harmful liquids and material, such as fertilizers, pesticides, soaps, and sands, from being washed into the streets and into the storm sewers as they end up in the river. These conditions cause problems in the river itself, the fish, and other wildlife. Storm water conservation should be everyone's concern.

Annual Water Quality Report Available on the Village website, www.sgfny.com, or at the Village Hall, 46 Saratoga Avenue, South Glens Falls, NY 12803.

DPW Contact Please call 518-792-4033 for any questions related to DPW services and Water/Sewer related questions during business hours of 7:00 a.m. – 4:00 p.m.

After hours, please call the South Glens Falls Police Department at 518-792-6336.
