NO WHOLE TREES, NO STUMPS, nothing over 8", please place brush pile separate.

SAND DELIVERIES: November 6th – 10th.

Hydrant Flushing: September 18th - 22th

April 16 - 22, 2017.

Annual Spring Pickup: will be March 19 – May 4, 2017.

LANDLORDS PLEASE INFORM TENANTS OF THE SCHEDULE

WATER/SEWER PROBLEMS: Please call the DPW at 792-4033 from 7 a.m. to 4 p.m. or after hours call the South Glens Falls POLICE DEPT. at 792-6336.

WATER CONSERVATION: Leaky toilets and faucets cause unnecessary waste of your water. Please help us eliminate extra pumping costs.

COMPOSTING AREA: The Town of Moreau has a composting area at the Town Landfill (798-8126). It is located at the corner of Route 9 and Butler Road. Grass, leaves, and pine needles can be deposited there anytime during hours they are open.

STORM WATER MANAGEMENT: The Village asks everyone to help curb unnecessary and harmful liquids and materials, such as fertilizers, pesticides, soaps, and sands, from being washed into the streets and into the storm sewers, as they end up in the river. These conditions cause problems with the river itself, the fish, and other wildlife. Storm Water Conservation should be everyone's concern.

SPRINKLER RATES: As of April 1, 2015 there will be a \$20.00 flat rate charged for any metered / non-metered property in the Village with a sprinkler system installed. If you do not have a lawn irrigation system supplied by village water, please call the clerks office so changes can be made (518) 793-1455.

METER READING: Those of you who have **water meters**, they will be read beginning Feb. 19, 2018.

Sidewalks: Must be kept clear of snow and ice, within 48 hours after a storm, failure to do so will result in DPW crew clearing it and billing the property owner. Chapter 121 Snow/Ice removal in Village Code.

Call for information of any kind, 792-4033.
