MAYOR NICHOLAS BODKIN PRESIDING

Agenda

Motion to award the General Contractor award to Ferguson Waterworks in the amount not to exceed \$ 1,112,674.23 (One Million, One Hundred Twelve Thousand, Six hundred Seventy Four dollars and 23 cents) pending the acceptance of the clarifications and acknowledgments to modifications to the bid exceptions as presented by the Village Engineers to the contractor and that the contractor agrees to hold the original bid price as presented.

Purpose:

The Village of South Glens Falls has been awarded a One Million Dollar Grant to install and replace water meters in the Village of South Glens Falls under a grant provided by Green Innovative Grant Program. This improvement is intended to improve water conservation and create a fair and equitable fee schedule for water utility consumption. NYS is anticipated to require all local governments to have water meters installed in the coming years and this grant will significantly offset the cost of this capital project.
