June 12th, 2025

Joe Orlow, Mayor
Village of South Glens Falls
46 Saratoga Ave
South Glens Falls, New York 12803

Subject: Contractor COR #1
Water Meter Project Re-Bid – Contract 1G

Dear Mayor Orlow:

Delaware Engineering has reviewed the change order request submitted by Ferguson Waterworks, the Contractor for the South Glens Falls Water Meter Upgrades project. The request is included as Appendix A to this letter.

The Contractor identified 281 installations where labor and material requirements exceeded their expectations for a standard installation. They proposed a tiered unit price structure, totaling \$65,061.25, to account for the varying levels of additional work, as summarized in the table below.

Item	Unit Cost	Requested Quantities	Cost
<i>Tier 1 – Minor Modifications</i>	<i>\$86.25</i>	<i>131</i>	<i>\$11,298.75</i>
<i>Tier 2 – Moderate Adjustments</i>	<i>\$316.25</i>	<i>95</i>	<i>\$30,043.75</i>
<i>Tier 3 – Major Rebuilds</i>	<i>\$431.25</i>	<i>55</i>	<i>\$23,718.75</i>
<i>Total</i>		<i>281</i>	<i>\$65,061.25</i>

In our professional opinion, several installations indeed did require labor and materials beyond what is typically expected for a standard water meter installation. While the contract specifications include miscellaneous plumbing in the base scope of work, the scope and complexity of plumbing in certain cases justify reasonable additional compensation. Our office reviewed each of the 281 cases individually and recommends that the Contractor be authorized to charge \$16,560.00 against the contract contingency allowance, based on the tiered quantities summarized in the table below.

Item	Unit Cost	Requested Quantities	Cost
<i>Rejected</i>		<i>205</i>	
<i>Tier 1 – Minor Modifications</i>	<i>\$86.25</i>	<i>36</i>	<i>\$3,105.00</i>
<i>Tier 2 – Moderate Adjustments</i>	<i>\$316.25</i>	<i>33</i>	<i>\$10,436.25</i>
<i>Tier 3 – Major Rebuilds</i>	<i>\$431.25</i>	<i>7</i>	<i>\$3,018.75</i>
<i>Total</i>		<i>76</i>	<i>\$16,560.00</i>

Delaware Engineering, D.P.C.

Albany, New York 12203

Tel: 518.452.1290
Fax: 518.452.1335

Appendix B provides a detailed tabulation of each installation, including justification for the recommended tier assignment, as determined by the Engineer of Record. Photo documentation for each installation is available upon request.

If you have any questions or require additional information, please do not hesitate to contact me at (518) 452-1290.

Sincerely,

Anthony P. Mantas, E.I.T.
Design Engineer

APPENDIX A – CHANGE ORDER REQUEST
APPENDIX B – TABULATION

APPENDIX A – CHANGE ORDER REQUEST

CHANGE ORDER REQUEST

CHANGE ORDER NO: #1

PROJECT TITLE: SGF WATER METER PROJECT

PARTIES INVOLVED:

- **CONTRACTOR** Ferguson Waterworks
- **COMPANY**: Delaware Engineering

ORIGINAL AGREEMENT DATE: 6/23/2023

CHANGE ORDER DATE: 4/25/2025

DESCRIPTION OF CHANGE

This change order accounts for installations that exceeded standard scope due to non-standard site conditions. Three levels of increased complexity were encountered: Tier 1 (Minor Modifications), Tier 2 (Moderate Structural Adjustments), and Tier 3 (Major Site Constraints or Rebuilds). These situations required additional labor, specialty parts, and longer install durations.

REASON FOR CHANGE

These non-standard installations could not be completed within the base contract parameters. Unforeseen conditions—including corroded shutoffs, tight installation spaces, vertical piping, and code-related relocations—necessitated additional effort and materials, which must be accounted for separately.

IMPACT ON SCHEDULE

Several of the non-standard installations required our crews to pause work and return later due to site-specific constraints. These instances impacted short-term productivity and required additional planning and labor coordination.

IMPACT ON COST

The increased cost is directly tied to additional labor hours, specialized materials, and return visits required to complete installations that exceeded the scope of the original contract due to unforeseen site conditions:

Item	Unit Price	Estimated Quantity	Total Cost
Tier 1 – Minor Modifications	\$86.25	131	\$11,298.75
Tier 2 – Moderate Adjustments	\$316.25	95	\$30,043.75
Tier 3 – Major Rebuilds	\$431.25	55	\$23,718.75
Total		281	\$65,061.25

REVISED CONTRACT DETAILS

- **REVISED COMPLETION DATE:** 5/1/2025
- **ORIGINAL AMOUNT:** \$898,365.11
- **INVOICED TO DATE:** \$768,647.95
- **BALANCE TO FINISH:** \$129,717.16

ACCEPTANCE OF CHANGE ORDER

This Change Order represents a mutually agreed upon alteration to the original Service Agreement dated 6/23/2023. All other terms and conditions of the original agreement remain unchanged and in full effect.

EXTRA PLUMBING SUMMARY

To support our request for additional labor and materials compensation, we have classified all non-standard installations into three distinct tiers based on site conditions, required modifications, and deviation from baseline expectations. All tiers described below fall outside the scope of a standard meter installation cut-in.

TIER 1: INSTALLATION WITH MINOR MODIFICATIONS

These installations required adjustments on-site due to existing infrastructure inconsistencies. Though completed efficiently, they involved more than a plug-and-play install.

WHY THIS WAS BEYOND STANDARD:

- Pipe alignment issues required additional fittings
- Minor access obstructions
- Required use of extra materials and time

COMMON ADDITIONAL MATERIALS:

- 3/4" female adapter press
- 3/4" press elbow or coupling

EXAMPLES:

- Meter in tight space or recessed wall section
 - Small realignment of plumbing to complete install
-

TIER 2: INSTALLATION WITH MODERATE STRUCTURAL ADJUSTMENTS

These installations required structural adjustments or workaround methods due to layout challenges, semi-functional shutoffs, or partially degraded infrastructure.

WHY THIS WAS BEYOND STANDARD:

- Plumbing modifications and rework needed

- Extended job duration due to spatial constraints
- Extra parts and hands-on troubleshooting required

COMMON ADDITIONAL MATERIALS:

- 3/4" female adapter press
- Press elbows, tee, or coupling
- Brackets, clamps, or dielectric unions

EXAMPLES:

- Meter set hidden in a finished basement
 - Re-piping vertical or sloped plumbing lines
-

TIER 3: INSTALLATION WITH MAJOR SITE CONSTRAINTS OR REBUILD

These installations involved significant complications and full adaptation in the field. They required the most labor time, highest material usage, and often coordination with City services.

WHY THIS WAS BEYOND STANDARD:

- Inoperable valves or inaccessible service lines
- Structural barriers preventing direct installation
- Multiple techs or extended on-site work

COMMON ADDITIONAL MATERIALS:

- Elbows, flanges, male adapters
- Support plates
- Ball valves, couplings, advanced plumbing hardware

EXAMPLES:

- Full rebuild of aged meter set
 - Pipe cut-in requiring specialty materials
 - Coordination with City shutoff for inoperable valves
-

A full binder with address-specific sheets is available for further details or supporting documentation.

Subject: Payment Application
 Water Meter Project Re-Bid – Contract 1G

Dear Mayor Bodkin:

Delaware Engineering has reviewed the attached Application and Certificates for Payment submitted by the contractor for the referenced project. All of the information in the application appears correct and the work noted has been completed. We are recommending approval of the following payments:

Contract #	Pay App #	Contractor	Payment Request
1G	4	Ferguson Enterprises, LLC	\$ 78,997.72

If you have any questions or require additional information, please do not hesitate to contact me at (518) 452-1290. We look forward to continuing work on this important project.

Sincerely,

Anthony P. Mantas, E.I.T.
Design Engineer

APPLICATION AND CERTIFICATION FOR PAYMENT

Village of South Glens Falls - Contingency Materials for Pay App #4 - Contract Item 11

QTY	Description	Unit Price	Extended Price	Detail of Material
1	5/8X3/4 Multi-Jet Meter, Plastic Bottom, US Gallon, AccuLinx Encoder Register, Nicor Connector	\$206.13	\$206.13	Meters for majority of project were integrated. This meter was used with a Pit that has a different part code to include a wire to mount through the meter pit lid.
2	5/8X3/4 Sonata Ultrasonic Meter, US Gallon, Nicor Connector	\$194.00	\$388.00	Meters for majority of project were integrated. This meter was used with a Pit that has a different part code to include a wire to mount through the meter pit lid.
2	1" Multi-Jet Meter, Cast Iron Bottom, US Gallon, AccuLinx Encoder Register, Wire Lead	\$282.70	\$565.40	Meters for majority of project were integrated. This meter was used with a Pit that has a different part code to include a wire to mount through the meter pit lid.
1	1-1/2" Allegro Multi-Jet Meter, Flanged, US Gallon	\$764.63	\$764.63	Additional Meter. The contractor used all of the 1-1/2 inch meters purchased on the original stocking order.
1	2" Flanged SS Octave Meter (Less Module) - 15.25" Lay Length	\$1,707.47	\$1,707.47	The scope called for 2x17 inch meters for installation. This is an additional meter to be used in an application that was only 15.25". Compound meter lay length.
2	Pit Allegro Radio Unit w/ Nicor Connector	\$222.25	\$444.50	Meter pit radio used to ensure the proper communication.
1	WM Allegro RF Module w/ Nicor Connector	\$224.87	\$224.87	Wall Mount radio used in a commercial application to provide additional communication.
2	Encoder Module w/ 25' Touch Read Pad	\$288.29	\$576.58	Communication Module used for the Octave Meter. Contract exceeded the Octave totals and an additional module was required for the installation.
1	Encoder Module w/ 5' Nicor Connector	\$170.37	\$170.37	Communication Module used for the Octave Meter. Contract exceeded the Octave totals and an additional module was required for the installation.
1	Sigma C53 Meter Pit Frame & Lid	\$234.23	\$234.23	The project required the contractor to install a meter pit that would allow for a quantity of 2ea 1-inch meters to be installed in the same pit. This is material that was used as the pit and in the pit.
1	Sigma 24x48 HDPE Meter Pit White	\$227.41	\$227.41	The project required the contractor to install a meter pit that would allow for a quantity of 2ea 1-inch meters to be installed in the same pit. This is material that was used as the pit and in the pit.
1	24 in Extension Ring w/ Cover	\$67.99	\$67.99	The project required the contractor to install a meter pit that would allow for a quantity of 2ea 1-inch meters to be installed in the same pit. This is material that was used as the pit and in the pit.
2	Mueller 1" Compression Copper Vertical Meter Yoke	\$564.99	\$1,129.98	The project required the contractor to install a meter pit that would allow for a quantity of 2ea 1-inch meters to be installed in the same pit. This is material that was used as the pit and in the pit.
1	Mueller CTS Compression 90 Ell	\$60.77	\$60.77	The project required the contractor to install a meter pit that would allow for a quantity of 2ea 1-inch meters to be installed in the same pit. This is material that was used as the pit and in the pit.
8	1 STRT Meter Coupling	\$17.724	\$141.79	The project required the contractor to install a meter pit that would allow for a quantity of 2ea 1-inch meters to be installed in the same pit. This is material that was used as the pit and in the pit.
2	4" ZN 150# RR FF 1/8 Flg Pkg - Nut, Bolt, Gasket Kit	\$23.625	\$47.25	The project required the contractor to install a meter pit that would allow for a quantity of 2ea 1-inch meters to be installed in the same pit. This is material that was used as the pit and in the pit.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.2(e). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(b)(3)(f) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

Public Burden Statement

We estimate that it will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and reviewing the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S5502, 200 Constitution Avenue, N.W., Washington, D.C. 20210

16 (PAGE 1 OF 1)	12/07/2024	WATER METER PROJECT VILLAGE OF SOUTH GLENS FALLS, NY	1

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collected contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3146) requires contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(vii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

We estimate that it will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W., Washington, D.C. 20210

Date 01/03/2025

**PARTIAL RELEASE AND WAIVER OF MECHANIC'S LIEN
(Pay App #4)**

PROJECT NAME: Water Meter Project Re-Bid

CONTRACTOR/SUPPLIER: Ferguson Enterprises, LLC

PROJECT ADDRESS: Village of South Glens Falls
46 Saratoga Avenue
South Glens Falls, NY 12803

PROJECT #: 19-1820 Srf No. 18332

OWNER: Village of South Glens Falls

THROUGH PERIOD ENDING: 4/30/2025 (installs)

CONSTRUCTION MANAGER: Delaware Engineering

PARTIAL PAYMENT AMOUNT: \$78,997.72

CONTRACTOR/SUPPLIER has provided labor, materials, rentals and/or services (collectively, "Work") on the above-described Project.

CONTRACTOR/SUPPLIER, for and in consideration of Partial Payment Amount to be paid upon execution of this Partial Release, does for itself, its successors, administrations and assigns, hereby affirm and agree as follows with respect to all Work performed to date and for which payment has been made pursuant to this Partial Release, except as noted below in Paragraph 3:

1. All labor employed in connection with the Work and the Project and all related payroll taxes and charges (such as withholding taxes, social security taxes and worker's compensation, disability and unemployment taxes and/or insurance premiums) have been paid in full, see attached; and
2. All materials, tools, equipment, supplies and services furnished and used upon or in connection with the Work and the Project have been paid for in full; and all sales, use, excise and similar taxes on or in connection with the same have been fully paid, see attached; and
3. Upon receipt by CONTRACTOR/SUPPLIER of a check from the CONSTRUCTION MANAGER in the Partial Payment Amount described above, payable to the CONTRACTOR/SUPPLIER, and when the check has been paid, this document shall become effective to release and forever discharge the CONSTRUCTION MANAGER, its surety and the OWNER and their respective officers, directors, agents, servants and employees, and all lands, improvements, chattels, and other real and personal property connected with or a part of the Project from any and all claims, demands, liens and claims of lien whatsoever, which it now has or hereafter might or could have arising out of the performance of all Work for which payment has been made.

CONTRACTOR/SUPPLIER will, at its sole cost and expense, forever hold harmless, CONSTRUCTION MANAGER, its surety and OWNER from any and all claims and demands and will defend against and obtain the discharge of any liens and claims of lien of others arising out of or in connection with the work, including, without limitation, those claimed or asserted by any employee, supplier or subcontractor of the CONTRACTOR/SUPPLIER (or any employee or supplier of any subcontractor/supplier of the undersigned), governmental agency or any insurance carrier; and

CONTRACTOR/SUPPLIER warrants that the amount of payments received or to be received represents the total value earned by CONTRACTOR/SUPPLIER for materials, labor, rentals, equipment and services supplied to the Project for the above-described contract.

CONTRACTOR/SUPPLIER warrants that it has not and will not assign any claims for payment or right to perfect a lien against such land and improvements and appurtenances and warrants that it has the right to execute this waiver and release.

This release and waiver may not be changed orally.

CONTRACTOR/SUPPLIER agrees that the CONSTRUCTION MANAGER, the OWNER of the Project, any lender, any title insurer, and any surety may rely upon this waiver and release.

IN WITNESS WHEREOF, Celeste Moltzan, of Ferguson Enterprises, LLC has hereunto set his/her hand this 4th day of June, 2025.

CONTRACTOR/SUPPLIER: Ferguson Enterprises, LLC
AUTHORIZED AGENT:

On the 4th day of June in the year 2025 before me, the undersigned, a Notary Public in and for said State, personally appeared Celeste Moltzan, personally known to me or proved to me on the basis of satisfactory evidence to be the individual whose name is subscribed to the within instrument and acknowledged to me that he/she executed the same in his/her capacity, and that by his/her signature on the instrument, the individual executed the instrument.

Notary Public

Kimberly Retzlaff

My Commission Expires: Oct 1, 2028

Dear Board of Trustees and Mayor Orlow,

Please accept this letter as my formal resignation from the position of Deputy Clerk Treasurer for the Village of South Glens Falls, effective Friday June 6, 2025.

This decision was not made lightly, as I deeply value the opportunity I have had to serve our community and contribute to its development. However, I have recently accepted a new position that offers a stronger alignment with my career aspirations and allows me to further utilize and develop my professional skill set in meaningful ways. I am confident this new opportunity represents an important step forward in my career journey.

In making this decision, I feel it is important to address some of the challenges that have shaped my experience. Over time, I have observed a lack of cohesive leadership and clarity in decision-making processes, which has led to inefficiencies, miscommunication, and frustration among team members. An environment of malcontent and disarray has hindered the ability to foster a culture of collaboration and mutual respect that is essential for achieving organizational goals and serving the community effectively.

Despite the best efforts of a few dedicated individuals, the lack of strategic oversight and proactive governance has made it increasingly difficult to navigate and address both routine operations and emerging challenges. As a result, progress has often been stifled, and opportunities to enhance organizational performance and community services have been missed.

While these issues have contributed to my decision, I want to emphasize that this is not the result of any single individual's actions. Rather, it reflects broader structural and cultural dynamics that I hope can be addressed in the future for the benefit of the Village and its residents.

I wish the Village of South Glens Falls all the best in addressing these challenges and continuing to serve the community effectively.

Sincerely,

A handwritten signature in black ink, appearing to read 'Molly DeVaux'. The signature is fluid and cursive, with a large loop at the beginning and a long, sweeping tail that extends to the right.

The Mayor opened the meeting at 7:00 PM.

Pledge of Allegiance

Mayor Elect/Trustee Orlow thanked Mayor Bodkin for his 4 years of service as Mayor. Mayor Bodkin recognized Trustee Guthell's years of service - 4 years as Trustee and 4 years as Mayor, Trustee Girard's years of service - 12 years, Trustee Carota has had the longest service on the Village Board.

Public Forum

- Pam Friers - Leland Street: Mrs. Friers recognized Tony Girard's years of service and representation of the Village. She also recognized Harry Guthell as a strong resource of Village information, and congratulated Joe Orlow as the new Mayor Elect. She is looking forward to the future of the Village. Also, an additional recognition to TJ Chagnon and the DPW crew for all they do for the Village.
- Dennis Duvall - Main Street: He has filed 5 complaints and wanted to make sure the Building & Codes Officer Report is included with the agenda.
- Ken Sherl, 46 Harrison Ave.: Mr. Sherl requested a follow up from the last meeting regarding the 48 Harrison Ave property issue. Trustee Orlow, after the swearing-in ceremony, will be meeting with Sherl and Nikas regarding further action.

1. Grant Projects Update

- a. **Carbon Filtration:** Carbon media is currently out to bid. An email was

sent to the Board regarding electrical service upgrade email. TJ advised he is currently still waiting on catwalk quotes for access to the top of the carbon vessels.

- b. **GIGP:** The project has narrowed down to the meters not reading and updating issues.
- c. **CDBG Grant update:** We are currently waiting for OCR to issue the release of funds.

2. **Motion 040225-1 to approve the transfers with the amendment of the transfer of \$7,549.79 from NYCLASS HRA Reserve account to A9060.811:** Trustee Orlow motioned, and Trustee Carota seconded. All in favor, motion passed.

a.	A 5142.100	A 5142.800	\$450.00	Snow Removal FICA
	FX 8320.405	FX 8320.403	\$81.98	Water Pump Repairs
	A 3120.100	A 3120.103	\$20,000.00	P.S. Part Time P.D.
	A 1990.400	A 9060.811	\$7,549.79	HRA

3. **Motion 040225-2 to approve the Bills and Payroll as Audited:** Trustee Orlow motioned, and Trustee Carota seconded. Trustee Orlow - yes, Trustee Girard - yes, Trustee Carota - yes, Trustee Gutheil - abstain, Mayor Bodkin - yes, motion passed.

- a. General - \$16,201.73
- b. Water - \$9,901.10
- c. Sewer - \$1,198.95
- d. Payroll:
 - i. \$23,082.07
 - ii. \$28,316.41

4. **Motion 040225-3 to approve meeting minutes 03/19/25:** Trustee Girard motioned, and Trustee Orlow seconded. All in favor, motion passed.
5. **Motion 040225-4 to receive and File DPW, PD, Animal Control and Buildings & Codes March monthly reports:** Trustee Girard motioned, and Trustee Orlow seconded. All in favor, motion passed.
6. **Motion 040225-5 when funds are received, they go into the HRA Reserve Fund to be distributed to the 878 reserve account:** Trustee Girard motioned, and Trustee Orlow seconded. All in favor, motion passed.
Discussion: Forensic auditors made the determination that the Village is due a refund by our prior TPA institution in the amount of \$65,225.
7. **Motion 040225-6 to approve the Common Roots Foundation Run 6/14/25:** Trustee Orlow motioned, Trustee Girard seconded. All in favor, motion passed
Discussion: TJ Chagnon provided an alternate map due to the upcoming National Grid construction that may affect their route. Lorie Gollhofer to distribute to Common Roots, DPW, and Police Dept. upon Board approval.

8. Old Business

- Trustee Gutheil reported that the NYCLASS Report shows the Village still has a bridge lighting reserve of \$42,774, and those bills have been paid. He suggests the Village put it into a tax stabilization reserve fund. TJ Chagnon replied that there are light bulbs that have not been changed out and it's been scheduled. If there is additional money, Attorney Nikas will look at the resolution wording.
- Trustee Gutheil reported in the PFAS Class Action Lawsuit Claim that the Village could ask for additional funds. If a claim can be put in, it could only be for future out-of-pocket costs.
- The 3-truck purchase order has been approved. TJ Chagnon asks if the Board could sign so he can move forward. There was a prior motion that approves the purchase of one truck that needs to be researched for encumbered monies. This has to be rescinded and then amended by the Board before moving forward.
- Trustee Gutheil had questions of monies in NYCLASS Reserve: \$61,600 budgeted in the A Fund, additional money appropriated for HRA Reserve, and another \$80,000 to put into that fund. Is the additional \$80,000 needed? Questions on raises in the new budget and addressing. Due to the budget being published for a public hearing, it could not be addressed.

9. New Business

- DPW needs Office 360. Currently waiting on Storedtech for a quote for 3 licenses.

10. Trustee Reports

- Trustee Girard thanked the public for being able to serve them for the last 12 years.
- Trustee Gutheil thanked the public for his years of service and the employees he had the opportunity to work with.

11. Mayor's Report

- Mayor Bodkin thanked the Village for his years of service and thanked the new officials, Trustee Elect Middleton and Trustee Elect Comstock, coming into office. Congratulations to Mayor Orlow and thanks to the team of employees' commitment to the job.

Motion 040225-7 to adjourn the Regular Village Board Meeting: Mayor Bodkin motioned, Trustee Orlow seconded. All in favor, motion passed.

The Mayor opened the meeting at 7:00 PM.

Pledge of Allegiance

Organizational Meeting

Motion 041625-1 to approve and accept the Organizational Meeting as presented with one correction on page 22 : Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.

Public Forum

- Dennis Duvall addressed the need for Zoning and Code Enforcement of speeding on Main Street with suggestions of speed bumps, a 3-way stop at William Street and Main Street, a 4-way stop at Harrison Avenue and Main Street, a 25mph Village Speed Limit, and larger signs.
- Aaron Frankenfeld, Director of Adirondack-Glens Falls Transportation Council. The Council is a regional council of governments established by federal transportation law to handle and program planning activities and capital projects in support of regional transportation investments. Voting members include the chief elected officials of all of the municipalities around the urban area, including South Glens Falls and the Town of Moreau. He is looking for confirmation of interest for a federal traffic study, requested from former Mayor Bodkin, from the Village Board to hire professional transportation engineers and planners to assess the operating conditions of the series of traffic signals, primarily between the bridge and Stewarts. They will come in to collect data, such as counting cars and timing the signals, and assess what sort of vehicular delay is happening to see if those signals can be coordinated and how they can be coordinated, and then formulate recommendations. They will also look into addressing crosswalk safety based on the results of the car counts, etc,

Motion 041625-2 to approve and continue the Adirondack-Glens Falls Transportation Council traffic study: Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.

Discussion: None

1. Grant Projects Update

- a. **Carbon Filtration:** Waiting for gauge due in May and paint before we can pay the retainage and final closeout.
- b. **GIGP:** Final installation date is 04/23/25
- c. **CDBG Grant update:** Waiting for NYS to advise that they have everything they need from the village

2. Motion 041625-3 to approve Transfers: Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.

a.	G 8131.402	G 8131.401	\$1,632.00	SEWER C. GF RECONSTRUCTION
	G 8131.402	G 8131.403	\$3,936.00	GF TREATMENT FACILITY O&M
	G 8130.402	G 8131.403	\$7,000.00	GF TREATMENT FACILITY O&M

	G 1990.400	G 8131.403	\$7,273.00	GF TREATMENT FACILITY O&M

b. HRA transfer

- i. A 878.0500 to A 9060.0811 - \$45,000.00

3. Motion 041625-4 to Approve the Bills and Payroll as Audited with an amendment of tabling the Glens Falls sewer bill for further review: Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.

- a. General - \$42,625.29
- b. Water - \$8,554.40
- c. Sewer - \$4,341.99
- d. Payroll:
 - i. 04/02/25 - \$24,083.42
 - ii. 04/09/25 - \$24,974.88
- e. Special: \$475,273.00

4. Motion 041625-5 to receive and file March financial reports: Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.

5. Motion 041625-6 to Standardize Fire Hydrants to Kennedy 5¼ K-81D, red, opens to the left and dry barrel: Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.

Discussion: None

6. Joint Paving Venture: The Town of Moreau will be paving Harrison Avenue to the Town line. The Town line to the Pole line hasn't been paved since 1999. The Village has an opportunity to join this project and only have to pay a portion of the milling, saving the Village over \$7,000 to pave their section. The Board approved TJ Chagnon to go forward and submit the details for Board approval.

7. **Motion 041625-7 to approve Flag purchase:** Trustee Carota motioned, and Mayor Orlow seconded. All in favor, motion passed.
Discussion: None
8. **Motion 041625-8 to approve Flower purchase:** Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.
Discussion: None
9. **Motion 041625-9 to rescind Resolution 080223-9, and approve the purchase of 3 Trucks from Tracey Road Equipment from Major Equipment reserve with balance paid by CHIPS, and allow the Mayor to sign the quote:** Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.
Discussion: None
10. **Mayor Orlow recognized the resignations received and thanked them for their service to the Village.**
- a. Claude Middleton as Crossing Guard, effective April 7, 2025
 - b. Keith Comstock as a member of the Planning Board, effective April 7, 2025
 - c. Bill Giorgianni as Zoning Board Chairman, effective April 8, 2025
11. **Old Business**
- a. **Motion 041625-10 to approve Electricity for Dehumidifiers from Hour Electric piggyback on Warren County Bid \$26,913.25 to be paid from Water Treatment Plant Reserve:** Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.
Discussion: None
12. **New Business**
- a. **Motion 041625-11 to approve the Administration Transition Team:** Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.
Discussion: None
 - b. **Motion 041625-12 to approve the Remote Deposit:** Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.
Discussion: None
 - c. **Motion 041625-13 to approve NYCOM conference:** - Clerk's Office, Mayor & Trustees: Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.
 - i. Clerk's Office - \$1,050.00
 - ii. Mayor - \$525.00
 - iii. Trustees - \$525.00**Discussion: None**

- d. **Motion 041625-14 to approve the Building Inspector printer:** Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.
Discussion: None
- e. **Parade**
 - i. **Motion 041625-15 to allow the Mayor to sign the contract for Galloway Gaelic Pipes & Drums:** Trustee Carota motioned, and Trustee Middleton seconded. All in favor, motion passed.
Discussion: None
 - ii. Samantha asked who was interested in walking in the parade. Several members of the Board were interested.
 - iii. **Motion 041625-16 to approve the purchase of \$350 for candy for the Parade:** Trustee Middleton motioned, and Mayor Orlow seconded. All in favor, motion passed.
Discussion: None
- f. Moreau Community Center has asked TJ Chagnon to speak to kids about Trades and the experience of job opportunities outside of going to college on Tuesday, May 13 @ 2:15pm.

13. Trustee Reports

- 14. Mayor's Report:** Mayor Orlow met with all the Village Department heads, and he would like communications and morale to improve. He has recently spoken with a real estate agent who has a potential buyer for Essity with a commercial property that could qualify for grants. Trustee Middleton will be the contact for residents interested in being on a committee.

Motion 041625-17 to adjourn the Regular Village Meeting at 7:56 pm: Trustee Carota motioned, and Mayor Middleton seconded. All in favor, motion passed.

Village of South Glens Falls
46 Saratoga Avenue, South Glens Falls, NY 12803
May 7, 2025
Regular Village Meeting @ 7:00 PM

Regular Village Board Meeting
MAYOR JOSEPH ORLOW PRESIDING
Minutes

Attendance:

Mayor Orlow
Trustee Carota
Trustee Comstock
Trustee Middleton
Attorney Bill Nikas
Bill Ramsey
+18566686794

Clerk Treasurer Samantha Berg
DPW Superintendent TJ Chagnon
Tim Pease
Nick Havens
Jeff McCabe
TJ Wade

The Mayor opened the meeting at 7:00 PM.

Pledge of Allegiance

Public Forum

- The tree-lighting ceremony is normally held on Friday evening, but it may be more attended if moved to Sunday afternoon. There was further discussion about a horse-drawn carriage ride and the Village to split the \$500 cost. The committee would also like to add a sleigh at the gazebo for Santa.
 - **Motion 050725-1 to move the Tree-Lighting Ceremony from Friday evening to 2:00 pm Sunday and provide \$250 towards the cost of the horse-drawn carriage ride:** Trustee Carota motioned, Trustee Middleton seconded. All in favor, motion passed.
- Bill Ramsey - 16 Harrison Avenue: He would like something done about the Harrison Avenue speeding issue.

1. **Swearing in of new Trustee:** Trustee Zachary Baxter was sworn in as Village Trustee by Justice Jeff McCabe.

2. **Grant Projects Update**

a. **GIGP**

- i. **Project Update:** Final installation was completed on 04/23/25. The Board needs to decide how to move forward with the two uninstalled meters and plumbing conditions.

b. CDBG Grant update

- i. **Current Status:** The RFP and RFQ for engineering services are currently in review with OCR.

3. **Motion 050725-2 to approve Transfers:** Trustee Carota motioned, Trustee Baxter seconded. All in favor, motion passed.

A 1440.100	A 1325.402	\$5,000.00	Clerk's Office Training
A 1010.401	A 1010.400	\$53.85	Trustee Contractual Expense
A 1325.202	A 1325.401	\$22.46	C/T Service Equipment
A 1440.200	A 1440.400	\$108.00	Bldg Insp Contrual Expense
A 3120.100	A 3120.103	\$20,000.00	P.S. P.T. PD Officers
A 3120.412	A 3120.418	\$162.32	PD Cleaning & Supplies

4. **Motion 050725-3 to Approve the Bills and Payroll as Audited:** Trustee Carota motioned, Trustee Middleton seconded. All in favor, motion passed.

- a. General - \$45,347.34
- b. Water - \$27,397.93
- c. Sewer - \$2,630.73
- d. Payroll -
 - i. 04/16/25 - \$24,349.50
 - ii. 04/23/25 - \$24,764.37

5. **Motion to allow the Mayor to sign new retainer agreement:** PFAS lawyer wishes to collect all of their fees from the first installment of settlement. Attorney Nikas to reach out to Napoli and revise the agreement. No motion made.

6. **Motion 050725-4 to receive and file DPW, PD, Animal Control April monthly reports:** Trustee Carota motioned, Trustee Middleton seconded. All in favor, motion passed.

7. **Motion 050725-5 to purchase 4 Kennedy Fire Hydrants from FX 8340.400 for \$15,580.00:** Trustee Carota motioned, Trustee Middleton seconded. All in favor, motion passed.

8. **Motion 050725-6 for DPW PC Replacement from A 1640.200 for \$1,304.49:** Trustee Carota motioned, Trustee Middleton seconded. All in favor, motion passed.

9. **Motion 050725-7 for an RFP for website revamp:** Trustee Baxter motioned, Trustee Middleton seconded. All in favor, motion passed.
Discussion: NYS law recently passed requiring all municipalities to move to a gov website. Our website needs a complete revamp and rebuild to meet the law requirements and to be ADA compliant.

- 10. Motion 050725-8 to approve Edmunds WIPP:** Trustee Carota motioned, Trustee Middleton seconded. All in favor, motion passed.
Discussion: The Clerk's Office is asking the Board to move forward with allowing online payments and online access to reduce some of the workload currently spent on the phone and emails with realtors, etc. This will come from next year's budget but the Board needs to approve the Mayor to sign the agreement to start the process that will be paid from 25-26 FY budget account code A1325.202
- 11. Motion 050725-9 to approve Forte credit card processing agreement:** Trustee Middleton motioned, Trustee Baxter seconded. All in favor, motion passed.
Discussion: Motion to allow the Mayor to sign the agreement with Forte to provide credit card processing with no charge to the Village except for the terminal. The service fees will be passed on to the resident. Credit card terminal to be paid from A 1621.200
- 12. Motion 050725-10 for 36 Charles Street request for a refund of \$30.00 Pool Charge as the pool is no longer on the property:** Trustee Carota motioned, Trustee Middleton seconded. All in favor, motion passed.
- 13. Motion 050725-11 to purchase replacement Holiday Pole Decorations to be paid from A 7550.0400:** Trustee Carota motioned, Trustee Middleton seconded. All in favor, motion passed.
- 14. Motion 050725-12 to approve Museum Sign replacement to be paid from A 7450.0402:** Trustee Carota motioned, Trustee Baxter seconded. All in favor, motion passed.
- 15. Carbon Media Bid**
a. Notice of Award
1. Virgin Media - \$1.97/lb.
2. Recycled Media - \$1.07/lb.
Motion 050725-13 to move forward with bid from Carbon Activated Corp: Trustee Baxter motioned, Trustee Middleton seconded. All in favor, motion passed.
- 16. Motion 050725-14 to transfer \$50,000.00 from Fund Balance to a new reserve for technology replacements and upgrades:** Trustee Baxter motioned, Trustee Middleton seconded. All in favor, motion passed.
- 17. Parking Lot Camera:** Tabled for next meeting.

18. Old Business

a. Betar Byway Upper Trail Restroom

- i. **Motion 050725-15 to transfer \$11,000.00 from A 1990.400 to A 7110.407:** Trustee Middleton motioned, Trustee Baxter seconded. All in favor, motion passed.
- ii. **Motion 050725-16 to purchase ADA compliant restroom from Chery Industrial to be paid from A 7110.407:** Trustee Baxter motioned, Trustee Middleton seconded. All in favor, motion passed.

19. New Business

- a. **Erie Canal Exhibit:** Reed Antis has brought the 200 years of Erie Canal exhibit to the Village.
- b. **Motion 050725-17 to allow the Mayor to sign the Common Roots Run agreement to waive the \$30.00 fee for use of the gazebo:** Trustee Baxter motioned, Trustee Middleton seconded. All in favor, motion passed.
- c. **Motion 050725-18 to designate May 1 as Go Purple for Kids Day:** Trustee Middleton motioned, Trustee Carota seconded. All in favor, motion passed.
- d. **Motion 050725-19 to allow the Mayor to sign the agreement to waive the park request fee for the use of the park for the Adirondack Runners Club Run on 06/08/25:** Trustee Carota motioned, Trustee Middleton seconded. All in favor, motion passed.
- e. **Motion 050725-20 to allow the Mayor to sign the contract to renew CSEA Vision coverage to the employees with no change in the rate:** Trustee Carota motioned, Trustee Middleton seconded. All in favor, motion passed.
- f. **Speed Control Signs:** It was asked that the Chief acquire quotes for speed signs to follow procurement before placing the order.
- g. **Motion 050725-21 to engage an engineer to conduct a Water/Sewer rate analysis and review asset allocation of \$3,500.00 from A 8340.403 to A 8310.411:** Trustee Baxter motioned, Trustee Comstock seconded. All in favor, motion passed.
Discussion: Phone call with Anthony from Delaware Engineering regarding Baker and Jackson Avenue, overall water infrastructure and distribution systems, and writing the grant(s).

- h. **Motion 050725-22 to waive the Water/Sewer bill penalty for 19 Grant Blvd:** Trustee Middleton motioned, Trustee Carota seconded. All in favor, motion passed.

Discussion: Resident called the Clerk's office to report that he had not received his Water/Sewer bill promptly and requested a waiver of the 10% penalty. When our Water/Sewer payment policy was explained, and the Clerk's Office had no authority to adjust his bill, he was unnecessarily rude. He was then directed to speak to Trustee Middleton. An electronic lock will be installed for the Clerk's Office door to ensure that no unauthorized persons can enter.

20. Trustee Reports

- a. Trustee Comstock asked about the possibility of including a 21 Gun Salute in the Memorial Day cemetery. Someone from the public suggested reaching out to the local VFW.

21. Mayor's Report:

- a. Mayor Orlow is looking forward, with a new Board, to work on infrastructure.

Motion 050725-23 to adjourn the Regular Village Board Meeting at 8:15 pm: Trustee Baxter motioned, Trustee Middleton seconded. All in favor, motion passed.

Proposal # Q2-25-005
May 28, 2025

Village of South Glens Falls
46 Saratoga Ave
South Glens Falls, NY 12803

Attention Allen Dubois

Reference: Tank Leased Line Replacement

AquaLogics Systems, Inc. is pleased to offer the following proposal for your consideration.

Proposed Equipment/Service Description:

The Main Control Panel program will be modified and equipment will be installed at the Tank and in the Main Control Panel to communicate over customer supplied internet connections instead of the existing leased lines. A DCB Encrypted tunnel, Power Supply and Acromag Modbus TCP Ethernet IO module will be installed at the tank. The tank equipment will be installed in the existing tank enclosure using its existing power circuit breaker. A DCB encrypted Tunnel will be installed at the Main Control Panel. The Main Control Panel's PLC program will be modified to poll the Tank level over the ethernet connection instead of using the existing analog input from the leased line equipment.

Internet connections will be required at the Water Plant and the Tank. One of the sites will need a static IP address from the internet service provider and we will have to have access to the router or firewall at that site to forward a port to the new secure encrypted tunnel.

The price includes all materials and labor to install and configure the new equipment.

As Built Drawings showing the new modifications are included.

Equipment:

Qty.2- DCB XT-HEX Encrypted tunnel.

Qty.1- Acromag NTE2211-1111 Modbus TCP Ethernet IO module.

Qty.1- Puls CS5.241 120W 24VDC power supply.

Services

Qty.1- Lot engineering services to modify the existing Main Control Panel PLC program as described above.

Qty.1- Lot drafting services to update the existing drawings to reflect all modifications and add a drawing for the tank equipment.

Qty.1- Lot field service for installation and testing.

Documentation

Qty.1- Sets as-installed drawings/electrical schematics reflecting all modifications.

Pricing:

Total Net Price..... \$7172.00

Taxes

Sales or Use Taxes are not included

Warranty:

All proposed equipment is warranted against system failure due to defects in workmanship and/or materials for a period of twelve (12) months from equipment start-up, not to exceed eighteen (18) months from date of shipment from our factory. This warranty does not cover failures due to human negligence and/or acts of nature.

Not Included:

Equipment installation, field wiring, conduits or piping unless specifically stated above.

Freight:

Prepaid and included.

Delivery:

8-12 weeks after receipt of order.

Terms:

Net 30 days

Thank you for the opportunity to provide you with our quotation, should you have any questions or desire additional information please don't hesitate to contact our office.

Best regards,
AquaLogics Systems, Inc.

Jeffrey Couperus

CURB CUT
APPLICATION FOR REVIEW

Applicant/Owner Name: Robert Wiltzic AIM Services Inc.
Street Address: 26 John St South Glens Falls
Phone: (518) 450-2864 Email: rwiltzic@aimservicesinc.org

Describe reason for curb cut: Change driveway and increase parking for resident accessibility.

GENERAL CURB CUT PROVISIONS:

1. Minimum driveway 10' wide.
2. No additional run off shall impact neighborhood property.
3. A paved apron curb shall meet Village specification.
4. Abandoned curb cuts shall be restored to full curbs.
5. Street, trees and/or grass shall be protected and/or restored.
6. Applicant responsible for all costs determined and itemized by DPW Supervisor.

*NOTE: If approved, the Village Department of Public Works will do the curb cut using the attached DPW specifications. The DPW will also be responsible for notifying the Underground Facilities Protective Organization.

CURB CUT
APPLICATION FOR REVIEW (page 2)

1. **Attach location map of proposed curb cut**
REQUIRED SKETCH PLAN: (1/4" = 1')
2. **Provide location and dimensions for:**
Existing driveway or barrier free ramps
Existing trees or utilities (i.e. water shut off, power poles, guys)

3. **Describe the condition of existing curb and sidewalk**

Item #: CRR28SRC64**MPN #: R570032C-R3M64****Description ^****JBC 28-Inch Traffic Cone - Durable, High-Visibility Safety Solution**

The **JBC 28-inch traffic cone** is the industry's most trusted choice for **highway projects, construction zones, and roadwork safety**. Designed for durability and maximum visibility, this cone is **injection-molded** to endure **harsh weather conditions and impact from commercial vehicles**.

Featuring a **cleated black base made from 100% recycled PVC**, this traffic cone offers superior road grip and stability, preventing tipping in high-traffic areas. For enhanced nighttime visibility, **optional high-intensity 6-inch and 4-inch reflective collars** ensure compliance with **MUTCD road cone specifications**.

Key Features:

- **Industry-Leading Durability** - Withstands extreme weather and high-impact conditions
- **Superior Stability** - Cleated black rubber base prevents tipping
- **High-Visibility Design** - Available in fade-resistant **fluorescent orange, lime green, blue, light blue, yellow, pink, green, red, or white**
- **Custom Branding** - Add logos or lettering with **no additional setup fees**
- **Sustainable & Eco-Friendly** - Made from **over 50% recycled materials** and fully recyclable
- **Multiple Weight Options** - Standard **7 lbs** or heavy-duty **10 lbs** (orange only) for added stability
- **Compliance & Safety Approved** - Meets **MUTCD, FHWA, NFPA, and NCHRP-350 crashworthy standards**

Perfect for **roadside construction, traffic control, parking lot safety, and emergency response**, these cones are **in stock and ready to ship immediately**.

Upgrade your safety setup today with the **JBC 28-inch traffic cone** - the ultimate blend of **durability, stability, and high visibility**.

TJ,

Based on the 5'x6' footprint, where would you prefer the dehumidifier to be placed at the WTP so I can update the drawing? Given its 1,600 lb weight, I recommend floor mounting it on a pedestal rather than wall mounting.

I've marked a few potential locations in the attached redlined drawing. Ideally, we could place it in the area labeled #1 to keep it out of the way, but I'm concerned the pump control panel and GAC feed pipe might interfere. If that's the case, the next best option would be location #2. Location n#2 is MUCH easier but sacrifices the currently open space. Is that important to you?

Let me know your thoughts, and I'll start on a revised drawing and verify the measurements.

Thanks.

Subject: Re: South Glens Fall - WTP - Dehumidifier

Hi Anthony,

Would you be able to provide an updated draft bid given the new recommendations?

Thank you!

Sam

Hello TJ and all,

Given the newly available power capacity, we recommend that the Village reconsider proceeding with the previously recommended unit, which was selected based on the power limitations at that time. While that unit will certainly help reduce humidity, I can't guarantee it will fully resolve the issue.

For a guaranteed performance we propose the Desert Aire LW12. As a larger system, it will be more costly, but a single LW12 unit should be capable of fully dehumidifying the room. However, it weighs 1,600 lbs and has a footprint of approximately 5' x 6", so it would need to be installed at floor level and will take up some space. I understand that maintaining clear floor space was previously a consideration, since Alan intended to park the water department pickup truck inside the building. Is that still a factor, or can the space be repurposed?

Alternatively, the Village could install two smaller Anden units, which can be wall-mounted.

My recommendation is that the Village issue an RFP for both options—one Desert Aire unit or two Anden units—and evaluate them based on actual costs and requirements.

Cordially,

Anthony Mantas, E.I.T.
