BUILDING INSPECTOR AND CODE ENFORMENT MONTHLY REPORT

Subject: Monthly Building and Codes Department Activity Report

Date: 12/1/22 – 12/31/22

Status Update: Common Roots Phase II project continues to move at a rapid pace and inspections are coming consistently. I am continuing to address any new business that has opened in 2022 to confirm valid Certificates of Occupancy. I have a complete list of the 118 business in the village. I will be visiting all businesses for confirmed Certificate of Occupancy / Fire Inspections.

Certificate of Occupancy: (0) CO has been issued

- 26 Main Street – CO needs to be updated for corrections
- 137 Saratoga Avenue – Needs to be reinspected for remedies to conditional CO.

Permits: (1) processed (Permits #2211)

- Sign Permit: #22011

Inspections: (5) Site Inspections

- 58 Saratoga Ave - Common Roots phase II – Footings Rebar part 3 inspection

Site Plan Review: (1) Construction Site Plan reviewed

- Dunkin Donuts – Sign design reviewed

Zoning Compliance Letters: (4) zoning compliance letters – This activity continues to be more challenging than it should be do to lack of organized records. I have always found our records to be able to adequately respond to these requests. However, the time required to find, review, and confirm the property records needs to greatly improve in 2023.

- 46 Wilson Ave.
- 15 Jackson Ave.
- 53 Williams St.
- 166 Saratoga Ave.
- 168 Saratoga Ave. – This Zoning Compliance issue has not yet been resolved. Working with our legal team to address.

Citations/Violations: I believe I have caught up on the 2022 Code Enforcement backlog. I am regularly identifying and addressing code violations and working to establish better repour with residents to encourage compliance. I continue to enforce our new municipality yard debris law with very good success. I am informing them of our new laws and that they are in violation. I will continue to ask for remediation no longer than 5 days from date on order to remedy.

- **Violations Issued** – No violations
- **Violations Resolved** – 109 Hudson Street, 29 Spring St., 183 Main St., 110 Hudson St.
- **Violations Outstanding** – 42 Ferry Blvd.

Resident Questions, Concerns, Complaints: I have established a repour with a number of residents that have had past issues. Working with our residents who have been in violation of state or local municipality codes has resulted in a positive response in remedies and helping to make our village more safe. I have managed to address a large portion of the backlog of most common complaints from our residents: unregistered vehicles on property and yard debris so that we haven't received any calls in December for either. I continue to receive regular inquiries about tenant / landlord conflicts looking for Code Enforcement to help to remedy a structural, mechanical and sanitation issues.

- Phone Calls: 56 calls received
- Emails: 14 emails received
