March 18, 2024

Mayor and Board of Trustees,

I would recommend that the Board consider that Pallette Stone Corp's bid price in the 2024 Saratoga County Asphalt Bid is the most responsible offer. The two products that we use are recycled binder and recycled 6 top. Dolomite has bid the binder .50 cents less per ton and the 6 top \$1.00 less. The reasons we should use Pallette Stone are as follows.

- 1) Distance, Dolomite would add an additional 20 miles to our trip per load taking additional time and fuel.
- 2) Plant size, Dolomite is a small mobile plant that has been set up for convenience for projects close by. The small plant would increase wait times that will also cost the Village additional money for non-productivity.
- 3) Our neighboring communities that we invite to help us pave would also see increased fuel costs and manpower costs when they assist us in our paving operations.
- 4) Only when we do large scale paving do we haul the maximum amount of 12 tons in our trucks. Most of the small paving we do the trucks only have approximately 8 tons. This would only be a difference of 4-8 dollars a load. The savings would not outweigh the additional labor and trucking costs to go the further distance. And wear and tear on our aging trucks would increase as well.

With the paving season upon us I will ask for the Board to make a resolution that we use Pallette Stone Corp for our blacktop under the Saratoga County Bid for the 2024 season.

Thank You

TJ Chagnon

Superintendent of Public Works

Letter 1 Text—Treatment Plant Electrical Upgrade (for use by the letter writer)

Please accept this letter as an expression of my support for the City of Glens Falls' Congressional Directed Spending (CDS) request to fund a \$14 million replacement and upgrade of the electrical system at the Waste Water Treatment Plant (WWTP) owned and operated by the City of Glens Falls.

The WWTP serves not only the entire population of the City of Glens Falls, but also neighboring areas that include parts of the Town of Queensbury, the Town of Moreau, the Village of South Glens Falls and Washington County.

The importance of the efficient and reliable operation of the WWTP to protecting the water quality of the Upper Hudson River cannot be overstated. It is critical to compliance with the City of Glens Falls' State Pollutant Discharge Elimination System (SPDES) permit and the long-term protection of Hudson River.

The existing electrical infrastructure of the WWTP is neither efficient nor resilient. The system is some 40 years old. Key components of it are simply obsolete and/or at the end of their expected lifecycle. The difficulty and cost of repair rises with each passing year as replacement parts become ever more challenging and expensive to procure.

The existing system does not have the redundancy and emergency back-up power source necessary to meet modern demands for infrastructure reliability and security.

As part of this project the City of Glens Falls has already invested \$700k in a comprehensive engineering assessment, project design and set of specifications. The city is prepared to move forward with construction as soon as funding is secured.

This project has already met all of New York's Clean Water State Revolving Fund (CW-SRF) eligibility requirements and appears on the CW-SRF Intended Use Plan (IUP).

I fully support this CDS application and would greatly appreciate your assistance in securing funding for this critical infrastructure project.

Letter 2 Text—Replacement and Upgrade of Water Main (for use by the letter writer)

Please accept this letter as an expression of my support for the City of Glens Falls' Congressional Directed Spending (CDS) request to fund a \$10 million upgrade to the city's drinking water distribution system.

The project involves replacing 20,000 linear feet of water main in a system that serves 15,000 residents, many commercial and industrial users and a large number of annual visitors.

Sections of the existing water distribution system in the City of Glens Falls are well over 100 years old. The aging pipes are brittle and have become vulnerable to cracks, leaks and even major breaks. Many of the system's valves and fire hydrants were installed in the early 20th century and are well beyond their expected life.

Many of the mains that will be replaced are undersized. Some are half the current standard. This has known negative effects on water quality. What is more, it lowers the city's fire protection capacity. In one infamous 2019 case the limited capacity of the undersized water main hampered the responding fire companies in extinguishing a structure fire.

Evidence from the experiences of many municipalities across the state and country has shown that the piecemeal replacement of these aging components as they fail is expensive and inefficient. The proposed project is conceived so as to combine with other ongoing infrastructure projects and reduce these concerns.

This project has already met all of New York's Drinking Water State Revolving Fund (DW-SRF) eligibility requirements and appears on the DW-SRF Intended Use Plan (IUP).

I fully support this CDS application and would greatly appreciate your assistance in securing funding for this critical infrastructure project.

**RESOLUTION: TO ADOPT LOCAL LAW NUMBER 2 OF 2024
TO REPLACE CHAPTER 123 WITH A NEW CHAPTER 123, ENTITLED:
“IMPORTATION, DISPOSAL AND/OR PROCESSING OF SOLID WASTE
PROHIBITED IN THE VILLAGE OF SOUTH GLENS FALLS”**

WHEREAS, the Village Board of the Village of South Glens Falls (herein the “Board”) is considering the adoption of Local Law Number 2 of 2024 which would, if adopted, amend Chapter 123 of the Code of the Village of South Glens Falls by adding a revised Chapter 123, to be entitled “Chapter 123: Importation, Disposal and/or Processing of Solid Waste Prohibited in the Village of South Glens Falls”; and

WHEREAS, the Board finds that the adoption of Local Law No. 2 of 2024 is a necessary and proper exercise of authority by the Board; and

WHEREAS, pursuant to Section 20 of the Municipal Home Rule Law, a public hearing on the proposed adoption of Local Law No. 2 of 2024 was duly conducted on May 15, 2024 at 7:00 p.m. at the Village Hall; and

WHEREAS, the Board has considered the public comments made at the public hearing; and

WHEREAS, the Board, serving as lead agency for this unlisted action under SEQRA, reviewed a short environmental assessment form and determined that the action does not present any adverse environmental impacts; and

WHEREAS, after thorough review and deliberation, the Board proposes to adopt Local Law No. 2 of 2024; and

WHEREAS, the Attorney for the Village has prepared the necessary documents for filing this local law with the Secretary of State including the text of the law itself.

NOW THEREFORE, BE IT RESOLVED that the Board, after exercising the required “hard look” for any environmental concerns, and finding no significant adverse environmental impacts, hereby adopts and authorizes the filing of a negative declaration; and

BE IT FURTHER RESOLVED, that the Board hereby adopts Local Law No. 2 of 2024, to add to the Village Code a revised Chapter 123 thereof entitled “Chapter 123: Importation, Disposal and/or Processing of Solid Waste Prohibited in the Village of South Glens Falls” is hereby adopted; and

BE IT FURTHER RESOLVED, that the Board hereby authorizes the Village Clerk and Attorney for the Village to make such minor modifications to the local law documents as they deem necessary, to execute and file the said documents as required by law, and to take all of the necessary actions for the promulgation thereof.

Motion by: _____

Mayor Bodkin	_____
Trustee Carota	_____
Trustee Orlow	_____
Trustee Girard	_____
Trustee Gutheil	_____

I hereby certify that this Resolution was duly adopted by the Village of South Glens Falls at a regular meeting of the Village Board conducted on May _____, 2024.

By: _____
SAMANTHA BERG, Clerk
Village of South Glens Falls

**VILLAGE OF SOUTH GLENS FALLS
LOCAL LAW NUMBER 2 OF 2024**

**A LOCAL LAW ADDING TO THE VILLAGE CODE A REVISED
CHAPTER 123 ENTITLED “IMPORTATION, DISPOSAL AND/OR
PROCESSING OF SOLID WASTE PROHIBITED IN THE VILLAGE OF
SOUTH GLENS FALLS”.**

Be it enacted by the Village Board of the Village of South Glens Falls, as follows:

§1. Authority and Applicability.

This local law is adopted pursuant to the authority vested in the Village Board of the Village of South Glens Falls pursuant to Municipal Home Rule §10 of the State of New York. It shall apply to the provisions of the Village of South Glens Falls Code.

§2. Declaration of Policies and Purpose.

The Village Board of the Village of South Glens Falls has reviewed the Code of the Village of South Glens Falls and believes that certain additions to the existing code are reasonable and necessary. The recommended additions shall therefore be enacted and authorized pursuant to the provisions of this local law.

§3. Amendments and Revisions.

A new and revised Chapter 123 entitled “Importation, Disposal and/or Processing of Solid Waste Prohibited in the Village of South Glens Falls ” shall be added to the Village of South Glens Falls Code. The new Chapter 123 shall provide the following:

§ 123-1 Legislative Intent

A. By the adoption of this Chapter, the Board of Trustees of the Village of South Glens Falls (hereinafter the “Village Board”) declares its intent to regulate, control and prohibit the importation, disposal and/or processing of solid waste originating from inside or outside of the boundaries of the Village of South Glens Falls.

B. In view of the environmental damage that the Village of South Glens Falls has experienced by past practices and operations involving the disposal and/or processing of solid waste, both hazardous and nonhazardous, the Village Board finds that restrictions against the importation, disposal and/or processing of solid waste are necessary to be implemented in order to safeguard the public health, safety and general welfare. This Chapter conveys to the Village Board all necessary and proper powers to ban the importation of solid waste generated from outside of the boundaries of the Village of South Glens Falls, and, to prohibit the commencement of any use or operation within the boundaries of South Glens Falls which may include the disposal and/or processing of any solid waste by incineration, landfilling, pyrolysis, or by any other method which may release contaminants into the environment. This Chapter is an exercise of the Village Board's police power, and it shall be liberally construed to effect this purpose.

C. In order to protect the health and safety of the residents of the Village of South Glens Falls, and, to promote the general welfare of the community, the Village Board hereby adopts this revised and new Chapter 123 of the Village of South Glens Falls Code.

§ 123-2 Definitions.

As used in this Chapter, the following terms shall have the meanings indicated:

SOLID WASTE: Any waste or waste material not originating within the boundaries of the Village of South Glens Falls and generated by or from sources or locations outside the boundaries of the Village of South Glens Falls including but not limited to hazardous and nonhazardous waste as may be defined by the New York State Department of Environmental Conservation and/or the United States Environmental Protection Agency.

§ 123-3 Importation, Disposal and/or Processing of Solid Waste Prohibited

It shall be unlawful for any person, firm, corporation or other entity, including any governmental entity or agency, to import solid waste originating from outside of the boundaries of the Village of South Glens Falls, or, to dispose of, or process, solid waste within the boundaries of the Village of South Glens Falls.

§123-4 Prohibitions Against Any Operation Which May Release Contaminants into the Environment

It shall be unlawful for any person, firm, corporation or other entity, including any governmental entity or agency, to commence or maintain any use or operation which includes the disposal or processing of solid waste by incineration, landfilling, pyrolysis, or any other method which may release contaminants into the environment.

§123-5 Waivers.

(a) Should any owner of property affected by this local law suffer an unnecessary hardship in the way of carrying out the strict letter of this local law, then the owner of said property may apply to the Village Board in writing for relief from strict compliance with this local law upon submission of proof of such unnecessary hardship. For the purposes of this local law, the definition of unnecessary hardship shall be determined in the sole discretion of the Village Board

(b) Substantive requirements: No relief shall be granted hereunder unless the Village Board shall specifically find and determine, in its sole and unqualified discretion, and shall set forth in its resolution granting such waiver, that:

1. Failure to grant a waiver to the petitioner will cause the petitioner substantial, irrevocable and unnecessary hardship, which hardship is substantially greater than any harm to the general public welfare resulting from the granting of the waiver; and
2. The grant of the waiver will clearly have no adverse effects upon any of the Village's goals or objectives in adopting this local law.

(c) Procedure: Upon submission of a written application to the Village Clerk by the property owner seeking relief from this local law, the Village Board shall, within 30 days of receipt of said application, schedule a public hearing on said application upon ten (10) days written public notice. At said public hearing, the property owner and any other parties wishing to present evidence with regard to the application shall have an opportunity to be heard. The Village Board shall, within 30 days of the close of said public hearing, render its decision either granting or denying the application for relief from the strict requirements of this local law, or, it may impose any conditions on any waiver grant that it may deem appropriate.

(d) An application for relief from the prohibitions of this local law shall be accompanied by the applicant's written undertaking, in a form to be approved by the Village's attorney, to pay all expenses of the Village Board, including the fees of any attorney or consultant retained by the Village Board to evaluate and consider the merits of such application.

§123-6. Violations and Permits Issued in Violation of this Local Law.

(a) Any person violating or attempting to violate this Local Law shall be guilty of a violation pursuant to the Penal Law of the State of New York and be punishable by a fine not exceeding \$1,000.00 or by imprisonment for a term not exceeding 15 days or by both such fine and imprisonment. For each twenty-four hour period such violation continues, every such person shall be deemed guilty of a separate offense and shall be considered a continuing violation until the violation is corrected or ceased. Where the person committing such violation is a partnership, association or corporation, the principal executive officer, partner, agency or manager may be considered to be the "person" for the purpose of this section.

(b) Alternative remedy:

In the case of any violation or threatened violation of any of the provisions of this Local law, in addition to other remedies herein provided, the Village Board may institute any appropriate action or proceeding, or combination thereof, either judicial or equitable, to prevent or enjoin such violation or threatened violation and to collect penalties or fines assessed hereunder. No remedy or penalty specified herein shall be the exclusive remedy available to address any violation described in this Local Law. Each remedy or penalty specified herein shall be in addition to, and not in substitution or limitation of, any other remedies or penalties specified in this Code or in any other applicable law.

(c) Stop-work order:

(1) The Village Board herein grants the Code Enforcement Officer the administrative responsibility of determining in the first instance whether a violation has occurred or threatened violation is about to occur and to immediately terminate or prevent such violation or threatened violation by posting a stop-work order, or cease and desist order, on the premises wherein the violation has occurred or threatened violation is about to occur.

(2) The stop-work order or cease and desist order shall serve notice to the owner, builder, developer, agent and/or any other individual or business on or using the premises that all such actions specified in the order must be terminated immediately.

(d) In the event the Village Board is required to take legal action to enforce this Local Law, the violator will be responsible for any and all costs incurred by the Village relative thereto, including but not limited to attorney's fees, and such amounts as may be determined and assessed by the Court. If such expense is not paid in full within 30 days from the date it is determined and assessed by the Court, such expense shall be charged to the propert(ies) within the Village on which the violation occurred, by including such expense in the next annual Village tax levy against such property, and such expense shall be a lien upon such property until paid.

§123-7 Conflict with State Statutes and Authority to Supersede.

To the extent that any provisions of this Local Law are in conflict with or are construed as inconsistent with the provisions of any local law of the Village of South Glens Falls, or any laws of the State of New York, this Local Law supersedes, amends and takes precedence over any inconsistent authority in accordance with the Municipal Home Rule Law. This Local Law specifically supercedes Village Law and any other New York State or local laws, rules or regulations pertaining to the granting of any variance authority to the Zoning Board of Appeals, it being the intention of this Local Law that any authority to grant variances or waivers by any boards or bodies other than the Village Board is hereby superceded by this Local Law so as to vest any authority to approve a variance or waiver from this Local Law solely in the Village Board of South Glens Falls.

§123-8 Severability.

If any clause, sentence, phrase, paragraph or any part of this Local Law or the application thereof to any person or circumstance shall for any reason be adjudicated finally by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of the provisions of this Local Law or the application thereof to any persons or circumstance, but shall be confined in its operation and effect to the clause, sentence, phrase, paragraph or part thereof, directly involved in the controversy or action in which such judgment shall have been rendered. It is hereby declared to be the legislative intent that the

remainder of this Local Law would have been duly adopted had any such invalid application or provisions been excluded.

§123-9 Effective Date.

This Local Law shall become effective upon filing in the Office of the NYS Secretary of State in accordance with Section 27 of the Municipal Home Rule Law

Dated: May , 2024

Spring 2023	2401000	839000	2401000	849000	287000	87000	180000	155	2.25	\$ 348.75	\$ 348.75	\$ -	
										\$ 2,103.75	\$ 2,103.75	\$ -	

Summary: - Stewart has two meters, the irrigation meter usage should have been deducted from the main meter's usage. The irrigation meter has been billed correctly, but the usage used for water and sewer on the main meter has been over calculated each period by the irrigation amount. There was a meter reading/prior error that has no notes from April 2019 causing a billing error and Fall 2019 they were billed correctly. The overbilling started in Spring 2020 where the irrigation meter usage was charged to the main meter for a water and sewer amount.

Over Paym \$(1,359.55)
 Over Paym \$(1,279.00)
 Over Paym \$(505.07)

Meter readings appear erroneous
 Credit on 10/14/2019 is accounted for in the calculation

I, the undersigned renter specifically acknowledge that I have received and understand the instructions regarding the use and operation of the rented equipment. Renter further acknowledges that he has read and fully understands the within equipment rental contract and agrees to be bound by all of the terms, conditions and provisions hereof. Renter acknowledges that he has received a true and correct copy of this agreement at the time of execution hereof.

The SERVICE CHARGE entered on the billing date is computed by a periodic rate of 1 1/2% (or a minimum charge of \$2 on balances of less than \$2) per month which is an ANNUAL PERCENTAGE RATE OF 18% applied to the previous balance before deducting credits, payments or adding purchases appearing on this statement. To avoid additional SERVICE CHARGE, pay the "New Balance" before the billing date next month.

IT IS UNDERSTOOD AND AGREED THAT MERCHANDISE ON THIS ORDER IS THE PROPERTY OF J.C. SMITH, INC. UNTIL FULLY PAID. IN CASE OF DEFAULT, I/WE WILL PAY BESIDES THE PRINCIPAL A SUM EQUAL TO 33 1/3% THEREOF, PLUS DISBURSEMENTS AND COURT COST IF THIS ACCOUNT IS PLACED FOR COLLECTION OR SUIT WITH A COLLECTION AGENCY OR AN ATTORNEY.
